Sally Whittington

I go to Christchurch Church and belong to the Ministry Team. I do readings and lead prayers in services and I'm also part of the PCC and Friends of Christchurch.

I write prayers in the Parish Magazine and help out with transport etc. I enjoy being part of such a vibrant benefice.

I married a Forester and have lived in this parish since 1981. I love being in this area, like to get involved in the community and especially both our churches.
